Effective December 1, 2025,
Allservices SRL will be merged
into Unitransports Spa as part
of a completed integration.

The new structure will be stronger and will be able to offer members even a better service, counting on a wider offer of service and an increased buying power. We remind that Unitransports is ISO certified and it has a GDP certification for shipments of Pharmaceuticals

We are pleased to share this update on behalf of Allservices SRL and wish them continued success with the merger.

Target Logistics (Pvt) Ltd

Target Logistics is launching a sustainable initiative, distributing thousands of snake plants in pots to offices, customers, airlines, shipping lines, and associates.

This effort promotes a healthier environment, reduces single-use plastics, supports eco-friendly practices. By nurturing plants, we aim to purify the air, conserve water, and offset carbon emissions.

Target Logistics (Pvt) Ltd

About Plant :

Sansevieria Moonshine, a cultivar of the Snake Plant (Sansevieria), is characterized by its striking silvery-green leaves. The leaves are upright, sword-shaped, and grow in a rosette form, adding a touch of modern elegance to indoor spaces.

Benefits :

- **Air Purification:** Sansevieria Moonshine is known for its air-purifying qualities, removing toxins such as formaldehyde and benzene from the environment.
- **Low Maintenance:** Resilient and adaptable, it thrives in various light conditions and is suitable for those new to plant care. It requires only a small amount of water once a week.
- **Aesthetic Appeal:** The unique silvery-green hue of its leaves adds a decorative element to both contemporary and traditional interiors.
